

# Guide to eLibraryNJ AudioBooks on your Mac or PC

1. On your computer, launch the OverDrive Media Console. This free software is available from eLibraryNJ's website if it is not installed on your computer.
2. Next, go to [www.eLibraryNJ.com](http://www.eLibraryNJ.com) in a web browser.
3. At the top of the webpage, click **Sign In**, choose **Libraries of Middlesex Automation Consortium**, and input your Library Card # and PIN #.
4. Browse the site for the audiobook of your choice.
5. Click on **Borrow**, and then next to the title, click on **Download (Select one Format)**. Choose **MP3 Audiobook** if it is available, otherwise choose **WMA Audiobook**. Click on **Confirm & Download**.
6. Double click on the downloaded item. In the OverDrive Media Console, click on **OK**, and then at the popup, choose **Yes**. Check all of the parts of the audiobook you wish to download, and click **OK**.
